

Welcome to

Everything Hospitality & Other Businesses
Require From a Tiny QR Code

What is 'Request'?

'Request' allows Guests of Hotels & F & B Establishments as well as numerous other Businesses to access to all your Products & Services on their Mobile Phone instantly simply by scanning a QR Code

That's Genius! But How?

Well...

You scan a QR Code

And the 'Request'
App for your
Business
opens

At an Establishment

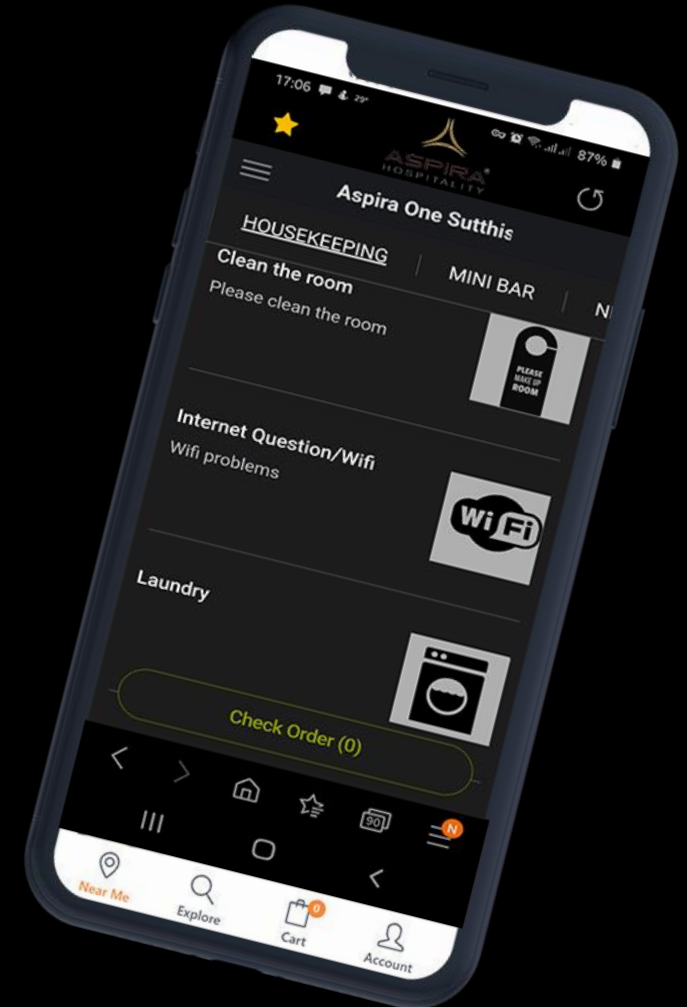

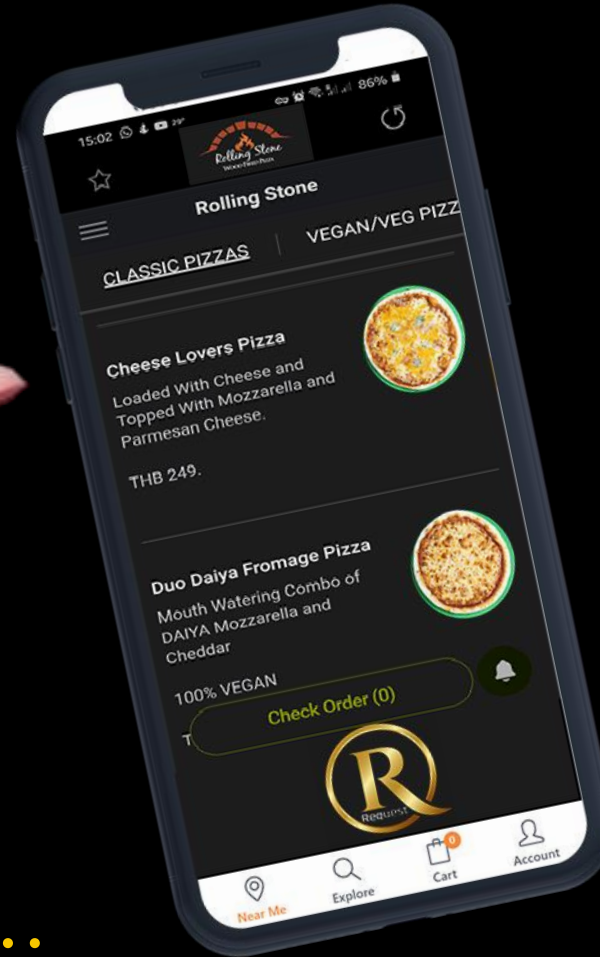

Revealing all the
Products & Services
your establishment
offers

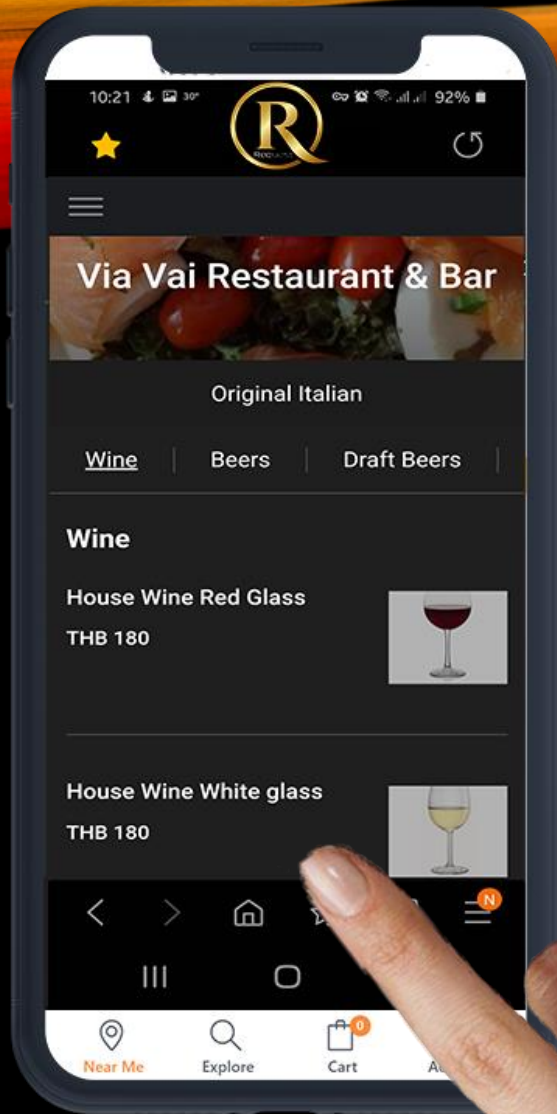

...And proceed to select any
of the services they require

Now the Guest can
Select their **Language...**

For 'Request' Interactive,
once the Guest has
completed the Service
Requests they require
(which can be multiple)

They click **SEND**

And their
requests are
sent to your
POS printer at
the Front Desk
(or any other
location(s) in
the language
you choose!

We know you **care deeply** about providing
an amazing experience for your Guests

So that's **why..**

Is a 'must have' in order to jump to the
next-generation in Guest Services

'Request' is Brilliant!

- ♥ It's unbelievably convenient!
- ♥ No **language** barriers!
- ♥ Use anywhere after scanning QR
- ♥ So convenient & easy to use
- ♥ No confirmations needed from Staff
- ♥ Staff understand **ALL** my requests
- ♥ Available in 'Digital' & 'Interactive'

*"I will patronize any business where I can scan '**Request**' to my phone!"*

'Request' For Hospitality? A No-Brainer!

"An Invaluable Service Enhancement for almost Any Business, anywhere"

- ✓ Our Guests are Fully Understood
- ✓ Guest use their own language
- ✓ Service Requests are in Writing
